Airline Highway — Cast List

KRISTA – Female, stripper at Babe's on Bourbon Street. A gentle soul that turns rabid when she feels like she is being threatened or when she gets too close to someone.

BAIT BOY – Male, mid-30s – in his past he has been a bartender, a bouncer, a barker outside strip joints, a karaoke wrangler, a waiter, and a street musician (keyboard), all in the Quarter. Long romantic history with Krista.

ZOE – Female, Bait Boy's stepdaughter. She's a junior at the magnet high school in Atlanta – honors track. Learns fast, too fast – her book smarts run ahead of her emotional maturity. She does not realize how little she has lived.

WAYNE –Male, Manager of the Hummingbird Hotel – he lives in a small apartment above the front office. Of old-school, working-class NOLA descent. The sweetest man on Airline Highway.

FRANCIS – Older with the mind/creativity/energy of a younger man. A lifelong (happy) social drinker.

TANYA – Female, an old-school hooker, been in business for many years, in and out of it, sometimes bartending, a bit of exotic dancing in the early days, not working at all for the one year ten years ago when she was married to the rich banker from California.

TERRY – Male, Originally from the country, New Iberia, Louisiana, but he has been in NOLA for quite some time – mostly to get away from the crowd he ran with in the country, which were up to no good.

SISSY NA NA – Gender non-conforming. Bartender and karaoke wrangler at the Cat's Meow on Bourbon Street.

MISS RUBY – Female,. Dying (literally dying) infamous Bourbon Street burlesque performer, had a club on Bourbon Street for years. Kind of the "mama" of Bourbon Street, she has had many ups and downs.

ENSEMBLE

NURSE'S AIDE – a home health or hospice worker.

PROBLEM ROOM DUDE – a drug dealer who lives in the Problem Room.

PARTY GUESTS – at Miss Ruby's funeral party. As many as your production can swing, but seven minimum.

THE RESIDENTS OF THE PROBLEM ROOM – At least four or five people are living in the Problem Room. It's a drug den of sorts, they are really holed up in there.
